

Living in Tuscany: a Safe Investment for Your Future.

Living in Tuscany: a Safe Investment for Your Future.

Tuscany is known worldwide for its tradition, culture, food, landscape, lifestyle, industry... and innovation. At the center of Europe and in the core of Italy, Tuscany is the land that gave birth to genes of art and science, such as Leonardo da Vinci, Michelangelo, Brunelleschi, Galileo.

Florence, the capital of the region, was the cradle of the Renaissance, the great human and technological progress which began in '500. Living in Tuscany means to live in one of the richest and most wealthy part of Italy and of the whole Western Europe.
